SHERATON WESTPORT CHALET HOTEL

Attention Product & Service Providers!

You are invited to participate in St. Louis' fifth annual premier Expo that fosters networking and building long-lasting relationships with the Who's Who of the Real Estate Marketplace.

The first 60 companies will be selected to participate in "The Road to Success" Industry Expo. Make sure your company is on the path for this not-to-miss event with all the commercial real estate and facility management movers and shakers in St. Louis.

WHY PARTICIPATE IN THE 2010 INDUSTRY EXPO?

- Targeted invitees involved with specification and purchasing of your products and services. We have averaged more than 250 professionals attending the past several years and hope to top 350 this year!
- Network at the pre-event luncheon for 200+ real estate and facility management movers and shakers.
- Many professional organizations will be invited to attend, including BOMA, IFMA, & IREM – your event hosts.
- "The Road to Success" is this year's theme and will run throughout an aggressive marketing campaign, including direct mail, E-mail, fax and print advertisements to draw the people you want to see. It lends itself to some creative and fun booth themes that will help you make an impression on the industry.
- The theme will revolve around famous streets, roads and paths. We encourage you to choose one from the attached list and make it your own!
- Exciting give-a-ways and prizes will make this a show to remember and fun for everyone.
- Beverages and hors d'oeuvres available all afternoon for all exhibitors and attendees.
- Space is limited . . . only 60 booths are available – first come, first served!
