Professionals concerned with the built environment: **RECHARGE** your career and **REVITALIZE** the way you think about your workplace at IFMA's **NEW** spring conference!

IFMA Instructor-led Courses

April 11-17, 2010

Earn CEUs and CFM® maintenance points at seven IFMA courses offered in conjunction with the event. FMP® candidates can meet program requirements.

- The Business of FM Course
- CFM Exam Review
- Leadership and Management Competency Course
- Operations and Maintenance Competency Course
- Planning and Project Management Competency Course
- Quality Assessment and Innovation Competency Course
- Sustainable FM: A Practitioner's Guide to Greening Your Facility

Conference Educational Programming

April 13-15, 2010

Valuable management training geared exclusively toward facility professionals. Sessions focus on sustainable environments, best practices in facility management, and leading and managing—plus:

- Ask the experts: Energy Forum
- IFMA's New CEO Spotlight
- Power Speakers' Hot Topics
- Facility Tours

Council & Volunteer Management Programming

April 13-15, 2010

IFMA council sessions are geared toward industry-specific facility management. Focus on issues and best practices unique to managing certain types of facilities.

Volunteer management sessions represent essential leadership training for IFMA's chapter, council and community officers:

- Association Trends
- Findings from IFMA's Membership Studies
- Leadership Succession Management
- Raising Your Profile: A P.R. Roundtable
- Tips to Grow and Retain Members
- Understanding and Using Social Media Tools

Expo

April 14-15, 2010

Seven dedicated hours to browse products and services, and discuss options and trends with exhibiting companies. Gain information on the latest facility solutions and return to your workplace with practical tools you can implement immediately. Lunch, attendee prize give-away's and more!

- Save money
- Heighten workplace performance
- Increase profits
- Maximize facility efficiencies and operations
