

# Presentation and Tour of Crossroads College Preparatory School

June 23, 2010

This month's presentation focused on the value of designing and operating a LEED Platinum school, then a tour of the sustainable design features.

Many thanks to our panelists, Billy Handmaker, Head of School, Crossroads College Preparatory School, Curtis Cassel, Vice President, TR, i Architects and Bruce Levitt, P.E., William Tao & Associates.

Special thanks to our friends at Crossroads College Preparatory School for allowing us to visit your school.
