Presentation & Tours Express Scripts

Express Scripts is the largest Fortune 500 firm to locate their headquarters on a university campus. The facility offers a new model of academic and business collaboration, garnering attention from across the country, including a write-up in the *Wall Street Journal* in July.

This month's program includes remarks by Express Scripts VP, Larry Zarin; University Chancellor, Thomas F. George; and Architect Dan Jay, covering:

- Project Information
- UMSL Overview and Collaboration Efforts
- Building Tours

Date Wednesday, October 17, 2007

Time 5:00 – Registration & Networking
6:00 – 7:15 – Presentation & Tours

Location Express Scripts, One Express Way, 63121

Program Host Shelly Beckemeier, Senior Director, Corporate Real Estate Services

**Parking/
Directions** See Reverse Side

Upcoming Events –

We have several great events coming up for our members this fall.

IFMA World Workplace - October 24 – 26 in New Orleans. Chapter get-together planned for October 25th, dinner at 8:00 pm.

New Member Breakfast, November 14th, 7:30 – 9:00 am at CI Select, featuring a panel of Chapter members who attended World Workplace. They will share their thoughts and information about the Conference with our guests.

Holiday Social and Awards Presentation, Wednesday, November 28th, St. Louis Symphony, Powell Hall. This is a great evening for visiting with our IFMA colleagues, enjoying great food, celebrating the accomplishments of our chapter members and kicking off the Holiday Season. We are honored to hold this event at such an awesome facility. Information/registration will be emailed to you prior to the each event.

Make sure to save these dates on your busy calendar.

Driving Directions to Express Scripts

- One Express Way is conveniently accessible from both I-70 and I-170 for employees commuting from St. Louis, St. Louis County, St. Charles County and Illinois.
- The Headquarters building is nine miles east of the Riverport campus on I-70 and about four miles east of Lambert-St. Louis International Airport.

1. On I-70, traveling east: Exit I-70 at Exit 240 (University Boulevard/Florissant). Bear right and continue approximately a half-mile on the exit ramp. At the stoplight, turn right (south) onto University Boulevard. Turn right at the next stoplight onto University Place Drive and continue to our new Headquarters, just off University Place Drive on the right. Since the site is currently under construction, access is currently limited. Exit 240 is approximately nine miles west of the I-70 Earth City exit.

2. On I-70, traveling west: Exit I-70 at Exit 240 (University Boulevard). Bear left (south) and continue approximately a half-mile on the exit ramp to the first stoplight. Turn left at the light onto University Place Drive and continue to our new Headquarters, just off University Place Drive, on the right. Since the site is currently under construction, access is currently limited.

3. On I-170, traveling north or south: Exit I-170 at the Natural Bridge Exit (#6), and turn right (east). Continue on Natural Bridge Road through the Hanley Road intersection. At the second stoplight after Hanley Road, turn left onto West Drive (approximately 1.5 miles). Continue to University Place Drive and turn left. Our new Headquarters is on the right.

4. On I-270 traveling west or east: Exit I-270 at Highway I-170 South and follow (3) above.

5. On I-270 traveling north or south: Exit I-270 at I-70 East and follow (1) above.

6. On I-64 (Highway 40) traveling east: Exit I-64 at I-270 North; continue north to I-70 East and follow (1) above.

7. On I-64 (40), traveling west: Exit I-64 (40) at I-170 North and follow (3) above.

8. Traveling from Illinois on I-64 (40) west:

Cross the Poplar Street Bridge and continue west on I-70 and follow (2) above.
